Considering a career in plumbing?

Learn the fundamental skills needed to start your trade career!

Certificate II in Plumbing (pre-apprenticeship)

➤ COURSE TYPE:	VET delivered to secondary students (VETDSS)
➤ COURSE CODE:	22569VIC
➤ NOMINAL HOURS:	492
➤ DURATION:	2 year program part-time whilst at school (excluding school & public holidays) 1 day per week (4-6 hours)

Course Description

This pre-apprenticeship provides you with broad knowledge and practical plumbing skills, including:

- Reading and interpreting plans and specifications
 - Cutting and penetrating building materials and structures
 - Fabricating simple plumbing pipe systems
- On completion, if you choose to continue into a plumbing apprenticeship, your certificate will count towards your qualification.

Career Opportunities

After successfully completing this certificate, you will be well equipped for various jobs such as:

- Plumber
- Gas Fitter
- Drainer

Entry Requirements

You will need:

- To be aged 15 years or over
- To be currently completing a senior secondary program VCE or VCE VM
- To spend at least one day per school week on timetabled training
- Sufficient communication, literacy and numeracy skills

Recognition of Prior Learning (RPL) and Credit Transfer

If you have skills or knowledge gained through previous study or relevant experience, you may be eligible for Recognition of Prior Learning and/ or Credit Transfer.

This would reduce the amount of training needed to complete the course, and will be discussed with you during the pre-training review.

We tailor training for people from diverse backgrounds, including those with disabilities, and encourage all to apply.
