

Project Ready

Want to find your best job and live your best life?

Join our Project Ready VET course

Get all the skills, experience and knowledge you need to avoid being this:

- 60% of young people say they don't feel ready to enter the workforce when they leave school.
- 50% of students who do further education drop out because they chose the wrong course.
- 80% of young people struggle to find and keep a job.

What is Project Ready?

Project Ready is a full-year VET program that supports you to get ready for the world of work and teaches you how to succeed in your career and life.

Project Ready includes a Certificate II, so you graduate with recognition for up to two units for VCE Level 1 and 2. Handy!

This course isn't like regular school. Project Ready facilitators focus on being interactive, fun, engaging and inspiring. With group work, a community project and industry visits, we help you build on your strengths and get clearer on your next steps.

What will I do in Project Ready?

- Improve how you connect with others
- Find out your own unique skills and strengths
- Go on visits to different work places
- Hear from industry guest speakers
- Learn stress management and goal setting
- Understand possible training and work pathways
- Do career research and planning
- Build resilience and self-confidence
- Do resume writing and job interview practice
- Get to know your rights around workplace safety
- Take on a work placement

Who is Project Ready for?

Project Ready is suited to Year 10 to 12 students and is a great course to do before you choose VCE subjects or undertake the Vocational Major.
